

Sponsorship

The Quest Conference offers sponsors the unique ability to connect with participants across Canada and internationally who represent a multitude of educational organizations. By becoming a sponsor at Quest, organizations will directly contribute to a first class learning opportunity directed at supporting student achievement and well-being. This is an exciting prospect for the conference and will allow us to continue to enhance the experience for all of our participants and attendees.

To become a sponsor or learn more about the sponsorship opportunities at this year's Quest Conference, please reach out to [Dale Brusselers](#) and [Monika Bent](#).

THANK YOU TO OUR QUEST 2019 SPONSORS

The Quest Conference is grateful to all the Quest 2019 Sponsors who are a part of The Quest: Indigenous Education and Equity
